

Suggested Global Networking Groups Posting Board

Following are ideas for potential Global Networking Groups that have been suggested by Rotarians. If you are interested in any of these topics, and would be interested in participating in a prospective group, please contact the organizer directly via e-mail.

Please be aware that the following groups are not recognized by Rotary International and are not official Rotary Fellowships or Rotarian Action Groups. Group organizers must secure the approval of the RI Board of Directors before a group is officially recognized. Visit the Global Networking Groups section of www.rotary.org for more information about Global Networking Groups.

Suggested Group Topic	Puzzles Fellowship
Purpose	Research shows puzzle-solving to be a brain-healthy exercise that tends to thwart certain dementia-related maladies associated with age, as well as a fun relationship-building activity that tends to build and solidify friendships. The purpose of the group is to explore, consider and discuss all aspects of crosswords, Sudoku, Ken-Ken, jumbles, cryptoquotes, acrostics and any and all other types of puzzles.
